## (2025-2026)

Dear Parents

Vacations are the most appropriate time for kids to refresh and rejuvenate themselves, to be creative, to learn new skills and performance more enthusiastically.

Children have ample energy which should be channelized in the right direction to get the best out of them. We have designed holiday homework, keeping this in mind. It will build their confidence and new skills.

## Paper Tie

Father's Day Celebration 13 JULY

**"The greatest gift I ever had, came from God. I call him dad.**

Help your ward in creating a paper tie for his/her father . It can be a pleasant surprise and fun craft activity. Here's a simple guide to make one:

Materials needed:

- Colored chart paper (preferably in your father's favorite color or pattern)
- Scissors
- Glue or double-sided tape
- Marker or pen (optional, for decoration)
- Decorative material as per availability

Instructions:

- Start by choosing the color of paper you want to use for the tie. You can use a single color or mix and match different colors for a more vibrant look.
- Cut out a large rectangle from the paper for the main part of the tie. The size of the rectangle will depend on how big you want the tie to be. A typical size for a paper tie would be around 8-10 inches long and 4-6 inches wide.
- Next, cut out a smaller rectangle from a different colored paper for the knot of the tie. This rectangle should be slightly smaller than the main part of the tie, about 4-5 inches long and 2-3 inches wide.
- Fold the larger rectangle (main part of the tie) in half lengthwise to create a crease down the center. This will be the fold of the tie.
- Take the smaller rectangle (knot) and fold it in half lengthwise as well. Then, fold down the top corners to create a triangle shape at one end. This will resemble the knot of the tie.
- Open up both the main part of the tie and the knot. Apply glue or double-sided tape along the backside of the knot, then place it at the top of the main part of the

tie, aligning the folded edges.

- Press down firmly to secure the knot in place. Allow the glue to dry completely.
- If desired, you can use a marker or pen to add decorative elements to the tie, such as stripes, polka dots, or a message for your father.
- Once the tie is complete, you can present it to your father as a thoughtful handmade gift. He'll surely appreciate the effort and love you put into making it!
