

ENGLISH HOLIDAY HOMEWORK FOR CLASS 11

The Case of the Missing Homework

Oh holiday joy, so fresh, so bright, Yet homework lurked, a dreadful sight! I groaned, I sighed, I made a fuss, "Who assigns work? It's ridiculous!"

I stacked my books up nice and neat, Then closed my eyes to sweet defeat... But wait! What's this? A miracle grand! My homework vanished, as if by hand!

Was it magic? Was it fate? Did aliens take it on a date? Did my dog eat it, page by page? Or did it just run off with rage?

No matter how, no matter why, My homework's gone- oh me, oh my! So, dear teacher, if you ask me, It simply... disappeared mysteriously!

BUT THIS HOMEWORK HAS TO APPEAR WHEN WE MEET NEXT!
